ASL 108 Warranty Information

The ASL 108 Four Switch Fiber Optic Array is warranted to be free from manufacturing defects for three years from date of purchase.

ASL guarantees that the sold products are suitable for the use for which they are intended and comply with the mandatory standard manufacturing practices and will be warranted for this use only. This warranty shall not cover equipment modified or repaired by unauthorized personal. ASL cannot be held responsible for damage caused by incorrect installation or incorrect use of the product. Misuse, mishandling, or storage is not covered by this warranty. The health care professional is responsible for understanding the intended use of the ASL equipment and the specification and safe programming parameters of the chair it is going on. Route and secure all cables in such a way in order to prevent damage by crushing, cutting or snagging. Incorrect installation, configuration, or programming could result in unsafe set up of the wheelchair for the user. ASL accepts no liability for losses of any kind which result from such conditions.
